Crafted for Celebration: Endless Spring by RISIS

Birthdays mark the start of another trip around the sun, basking in the warm sunrises and a springtime that never ends. RISIS celebrates this memorable moment with the Endless Spring Collection – 12 exquisitely crafted floral pendants representing the months of the year. Each signature piece is handcrafted in bronze, plated in gold and features a Swarovski crystal birthstone.

Visit RISIS at Terminal 3 and pamper your loved ones or yourself with an exquisite present that is timeless and special.

Exquisiteness Redefined: Purple Gold™

Rare and exquisite, the world's first Purple Gold™ created from 19K solid gold. The Belleza collection features the luxurious stylish Purple Gold™ together with sparkling diamonds, crafted to swirl continuously and endlessly with elegance and beauty. The juxtaposition of the curves and sharp corners with the intense rich purple shade are representative of the bold and individualistic female.
